

GOVERNMENT PREPARDNESS FOR ELNINO RAINS

Do you think the government is well prepared to mitigate the impact of the predicted El-Nino rains?

"Based on our survey, 48% of Kenyans perceived government preparedness for El Niño response and impact mitigation being moderate.

This suggests that, on average, respondents believe the government is moderately prepared for addressing El Niño-related challenges and mitigating its impacts."

OPINION BY REGION

What is the level of perceived government preparedness for El-Nino rains and impact mitigation on a scale of 1 to 5 (1 min. and 5 Max.)?
